

ABOUT

The En Gedi Music Festival is organized by Creator’s Praise Ministries, a new church start of the Michigan District of the Lutheran Church Missouri Synod. It began in 2018 with a vision of an area battle of the praise bands and grew quickly into a quality summer Christian music festival. The music festival is organized by Creator’s Praise but is directed by members from a variety of Christian church affiliations.

The Mission

The Festival mission is to **EXCITE** and **INSPIRE** all people to live as disciples of **CHRIST!** Each year we pick a theme to address among our crowd of attendees. During 2020 we focused on **RECOVERY** (*Jeremiah 17:14*) and healing from more than a pandemic. In 2021 we encouraged attendees to **REVIVE** (*Psalms 71:20*) as we urged the church to experience and bear witness to the work God has done and continues to do. In 2022 we will be leading God’s church to continue to **REVIVE** (*Psalms 69:32b*).

Making a Difference

What do you envision our area to be like in the next 10 years? Will we have stronger communities or be more divided? Will the moral foundation of God’s Word erode further or be reinforced through discipleship? Are our schools, business, technology, etc. reflective of the future

development we want for our families, children, and grandchildren?

- Do you care about this country or region?
- Do you have a desire to see God’s kingdom grow?
- Do you identify with only one way that God has revealed for forgiveness and life?

You can make a lasting difference by investing in a ministry that seeks to build the kingdom, encourage true discipleship, and network ministries of the body of Christ. Your partnership with the En Gedi Music Festival provides the means to continue to build God’s kingdom by supporting individual churches in their efforts to reach out and disciple the communities in which we reside.

What have We Done So Far?

In 2020 we were blessed to be able to provide a safe space for a small crowd to socially distance themselves and still experience a festive atmosphere with many well-known artists including Sanctus Real and Unspoken. In 2021 the stage was animated with headliner performances by Rhett Walker and Mandisa. Each year a large number of tickets have been provided to area shelters and we have welcomed attendees from several different states. The reach of the festival continues to grow as church partners are added. Additional collaboration will help to keep the momentum moving.

CLAIMER: The En Gedi Music Festival is a Christian event. We are pro-God, pro-Bible, pro-life, and pro-family. We know that people struggle against sin and suffering in this fallen world (*Romans 3:23*), but God loves people so much that He sent Jesus to rescue us from sin and death (*John 3:16*). We want to share this Good News of His redemptive work with the world in keeping with God’s mission to make disciples of all nations (*Matthew 28:19-20*). That call to discipleship is to a distinct and different life apart from the world (*James 4:4*). Discipleship infers discipline and we are all personally challenged by that in different ways. Over recent years, we have witnessed the moral degeneration of our country, the loss of Godly direction and an increasingly slumbering Church that needs to experience and celebrate the reviving work of Christ. For that reason, we want to encourage Christians through our mission to excite and inspire all people to live as disciples of Christ. While participation in this event is not intended to suggest or imply that we agree on all the tenets of the faith, we can confess together that we are saved by grace alone through faith alone in Christ alone and this is not because of anything we have done but is totally a gift from God (*Ephesians 2:8,9*).
